Aimed at 11-14 year olds. Arms young people with real life money skills through a series of hands-on workshops. Three highly interactive sessions building young people's knowledge around basic finance and helping them engage with money

Aimed at 14-18+ year olds, Money Twist workshops cover practical and relevant everyday financial matters. Each of the sessions focuses on different topic areas: My Money, My Choices and My Future.

Money Works is delivered to groups such as NEET / employability youth groups, supported housing residents, young people leaving care and young parents.

Uni Dosh offers a comprehensive overview of university money matters. A targeted two hour workshop for those about to leave school or college and considering moving on to university.

From drawing board to market in one week. Young people create, implement and evaluate their own business in a competitive environment using real money in a real marketplace.

Featuring exclusive ethical products, this is a step-by-step guide to setting up a social enterprise. Workshops take participants on the journey of making a profit whilst helping people and the planet.

Dan

“MyBnk have had a massive impact on me as a person and on my life. They helped me to sell myself in interviews, they taught me business skills and most importantly, to have confidence.”

MyBnk

"I went to a group meeting where everyone was talking about debt. They were complaining of debt up to £10,000 and I thought...Is that all?! ... I had a lot of sleepless nights where I thought people were going to knock on my door and take my goods out of my house..."

"...If I hadn't have had the MyBnk session, I honestly do not know where I would be today. After the session I was finally able to open up those red letters because I'd learnt how to deal with it. It changed my thinking process, it made me more confident."
